- III. Review of minutes from 8/28/18 – approved
- IV. Old Business:
 - a) DMI Oversight Committee meeting happened – future of DMI discussed – based on Public Health Crisis Response Grant guidance, there will be tiered reports created to better address the epidemic.
 - b) DELJIS/DSAMH project update: Earl McCloskey reported ongoing work on this project and expects this fall for the project to be finished.
 - c) Public Health grant updates:
 1. Crisis Response Grant was approved with several criminal justice-related projects:
 - a. DMI project – increasing surveillance and frequency of distribution for more timely situational awareness
 - b. Access to Care flowchart project will be merged with System of Care overall plan
 - c. DOC – counterfeit substances in prisons and bridging of treatment upon release.
 2. New SAMSHA grant for Naloxone for First Responders – 5 year grant to supply first responders in Delaware with Naloxone.
 - d) Access to Care Flow Chart – still waiting for some project summaries from our partners. Presentation of the flowchart to date.

V. New Business:

1. AAC meeting will probably be in November, Secretary Coupe will present recommendations on behalf of this Subcommittee and upon receiving feedback, this group will reconvene after that time to continue its work.
2. First Responder Symposium – based on DPH grant, System of Care symposium is being planned for January 2019 to continue the work started this year.
3. NGA doing survey on Opioids in Delaware.

Meeting adjourned at 11:30 AM. Next meeting to be scheduled based on feedback from AAC.
